Subject: Air NZ Virgin Alliance

I am fully OPPOSED to this alliance.
Having been part of Virgin Australia NZ, (Previously Pacific Blue), for 14 years before they used Covid to shut the entire NZ Operation down on April 4 2020 and are now using all Australian Crew in their new "Budget Operation".
As Bain Capital expanded back into International Operations we were not Offered our jobs back. I have had to move overseas and leave my Country to gain employment.
Perhaps Virgin Australia could offer the 600+ employees, that had their lives ruined, their jobs back? Or the 1000's of NZ Passengers their money back for unpaid flights?
Cannot believe Air NZ are considering that low budget, dishonest, Australian Airline as a Business Partner!!!
